17<sup>th</sup> January 2022

Dear Parents/Carers,

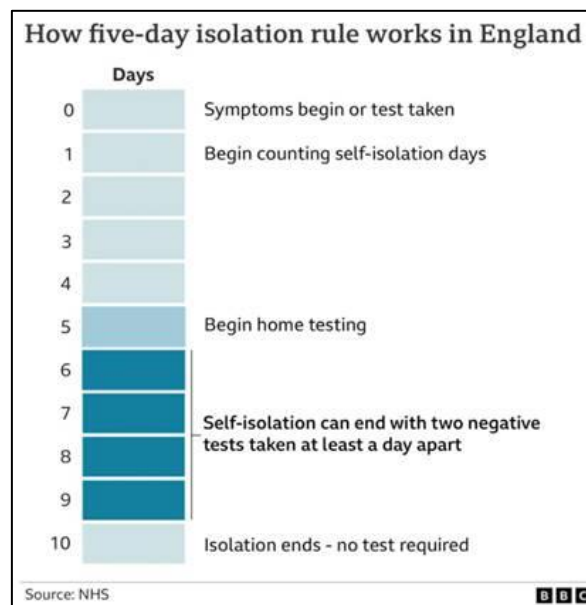

Self-isolation after a positive COVID-19 test

**Following the guidance that comes into effect today, Monday 17 January, it is now a requirement to self-isolate for 5 full days for those who test positive for Covid-19.**

Students can return to school after 6 days if they test negative on day 5 and day 6 (24 hours apart). If a student tests positive on day 5 or 6, then isolation must continue until either:

- There are two consecutive negative tests (24 hours apart) e.g. day 7 and day 8 or
- Continue until day 10, whichever comes first.

If students continue to have a high temperature, they must stay at home until it returns to normal. Students do not need a negative test after day 10 to return to school.

We would recommend that students test in the morning of Day 5 and 6 so that they are able to return to school on day 6 if they test negative (even if this means they may be slightly late to arrive).

Yours sincerely,

Mr. J. Shields  
Assistant Head Teacher – Pastoral Welfare and DSL.
